Steve Simon, Secretary of State of Minnesota,

Defendant.

I, Elizabeth M. Brama, being duly sworn, state as follows:

1. I am an attorney and partner with the law firm of Taft Stettinius & Hollister LLP (“Taft”). I represent Plaintiffs Paul Anderson *et al.* (“Anderson Plaintiffs”) in the above-captioned litigation. This affidavit is based on my personal knowledge.

2. I graduated *magna cum laude* from the University of Minnesota Law School in 2000. After graduation and completing the bar exam, I clerked for Chief Justice Kathleen A. Blatz of the Minnesota Supreme Court throughout the Court’s 2000-2001 term. From August of 2001 to March of 2002, I served as Legal Counsel to the Minnesota Special Redistricting Panel throughout the *Zachman v. Kiffmeyer* redistricting litigation. I joined Briggs and Morgan, P.A. (“Briggs and Morgan”) as an associate in 2002. In 2007, I became a shareholder at Briggs and Morgan. In January 2020, I became a partner, Practice Group Chair, and Executive Committee member at Taft after Taft’s merger with Briggs and Morgan, P.A.

3. My practice focuses on complex contested matters for energy companies, and I have successfully resolved financial disputes ranging from multi-million dollar acquisition matters to complex regulatory rate and administrative proceedings. I also have extensive experience in redistricting litigation. In addition to my work as Legal Counsel for the 2001-2002 Minnesota Special Redistricting Panel, I represented the plaintiffs in *Hippert v. Ritchie* before the 2011-2012 Minnesota Special Redistricting Panel.

4. The actual attorneys' fees incurred by the Anderson Plaintiffs in this litigation exceed the attorneys' fees requested, but to limit their request to the costs associated with the core work in this process, the Anderson Plaintiffs only seek the attorneys' fees incurred from October 1, 2021 to January 5, 2022

5. From October 1, 2021 to January 5, 2022, the Anderson Plaintiffs incurred attorneys' fees of \$344,961. True and correct copies of billing invoices from Taft in this matter are attached hereto as Exhibit A, showing work performed by Taft, and the rates charged for such work, on this matter from October 1, 2021 through January 5, 2022.

6. The rates charged by each of the attorneys in this litigation are reflective of their skill, experience, and reputation. True and correct copies of each of the attorneys' firm profiles are attached hereto as Exhibit B.

7. Taft reviews its billing rates on a yearly basis and ensures that the hourly rates charged to the firm's clients are reasonable.

8. Although attorney rates in the Twin Cities have generally increased since *Hippert v. Ritchie* in 2011, the rates charged by Taft in this litigation are at or below many of the rates charged in *Hippert*. See Affidavit of Marc E. Elias in Support of Attorneys'

Fees; Affidavit of David L. Lillehaug in Support of Attorneys' Fees; Supplemental Affidavit of Eric J. Magnuson in Support of Attorneys' Fees; Affidavit of Alan W. Weinblatt in Support of Attorneys' Fees. True and correct copies of these filings are attached hereto as Exhibit C.

9. Each of the attorneys who worked on this matter is a practicing member of either the Minnesota or New York bar and is in good standing.¹ From October 1, 2021 to January 5, 2022, these attorneys engaged in: (i) legal and associated demographic research; (ii) consulting with and advising clients; (iii) working with consulting experts; (iv) attending public hearing; (v) analyzing and proposing redistricting principles; (vi) providing legal support for the development of proposed redistricting principles; (iv) analyzing existing and proposed redistricting plans; (v) providing legal support for the development of clients' redistricting plans; (vi) drafting and revising briefs, pleadings, and presentations; (vii) analyzing the pleadings, briefs, arguments, and proposed redistricting principles and plans of other parties involved in the litigation and providing responses thereto; and (viii) preparing for and presenting oral arguments and PowerPoint presentations to the Special Redistricting Panel.

10. Balancing all of the factors involved in determining a reasonable attorneys' fees award, and considering the amount of attorneys' fees requested, \$344,961 represents a reasonable award of attorneys' fees to Plaintiffs for their efforts in this litigation. In stating this opinion, I have considered the experience of the attorneys involved, the

responsibility they assumed, the difficulty of the issues presented, the amount of time spent in prosecuting the litigation, the customary and usual fees in the community, the matter in dispute, and the results obtained. The work was actually performed for the Anderson Plaintiffs' benefit and was necessary for their proper representation. No charges for any unnecessary or duplicative work or work unrelated to this matter have been submitted in support of this motion.

11. The total costs incurred by the Anderson Plaintiffs from October 1, 2021 to January 5, 2022 is \$58.97. Exhibit A correctly reflects the costs incurred by the Anderson Plaintiffs.

12. I have reviewed the costs incurred by the Anderson Plaintiffs in this litigation. Each of the costs were actually incurred by the Anderson Plaintiffs and were necessary for their proper representation. No charges for unnecessary or duplicative costs or costs unrelated to this matter have been submitted in support of this motion.

Consistent with Minnesota Statute § 358.116, I declare under penalty of perjury that everything that I have stated in this document is true and correct.

Although Perkins Coie, LLP typically increases its rates for its timekeepers in January of each year, this matter was billed throughout at the firm's 2011 rates. Perkins Coie, LLP then applied a further 10% discount to all of the legal services provided in this case.

5. Each statement contained within Exhibit A also sets forth "a detailed itemization of all amounts sought for disbursements or expenses, including the rate for which any disbursements are charged" as required by Minn. Gen. R. Prac. 119.02(3). I verify that the amounts sought represent the actual costs for the disbursements sought.

6. I have reviewed the original time records for this case. I affirm that the work was actually performed for the benefit of the client and was necessary for the proper representation of the client and that charges for any unnecessary or duplicative work have been eliminated.

7. A summary calculation of the amounts reflected in Exhibit A is set forth below:

**BILL AND
MEMORANDUM OF COSTS
AND DISBURSEMENTS
AND AFFIDAVIT OF
ALAN W. WEINBLATT**

ALAN W. WEINBLATT, first being duly sworn, deposes and says that he is the
principal attorney for Plaintiffs Audrey Britton, et al, in the above-entitled case, and as
such has knowledge of the facts relative to the attorney's fees, costs and disbursements

incurred by Plaintiffs in this case. The attorney's services charged herein have actually and necessarily been performed as stated. Your affiant states that a fair and reasonable lodestar hourly rate for his legal services performed is at least \$300.00 per hour, which is his usual and customary rate for litigation. Affiant personally reasonably spent 510.25 hours of time in the processing of this case for a total fee of \$153,075.

Affiant has been admitted to practice in Minnesota since 1968. I have represented the Plaintiffs in four prior legislative and congressional redistricting cases. *Beens, et al. v. Erdahl, et al.* in 1971, *LaComb, et al. v. Growe, et al.* in 1981, *Cotlow, et al. v. Growe, et al.* in 1991, and *Cotlow, et al. v. Kiffmeyer, et al.* in 2001. I have been called upon by attorneys in various federal, state and local redistricting cases for advice and consultation. My normal and customary rate for litigation legal services is \$300.00 per hour. That rate is at or below the fair market value for my services as compared to the hourly rates of other Minnesota attorneys with my experience.

Affiant's lodestar hourly rate of \$300.00 does not include any upward adjustment to which Plaintiffs' attorneys should be entitled due to (a) the uniqueness of legislative and congressional redistricting matters, (b) the contingent nature of the fee, (c) the uniqueness and complexity of the special issues presented, and (d) the generally low hourly rate customarily charged by the Affiant.

Further, your affiant states that I was aided in this work by certain associates of Weinblatt & Gaylord, PLC, whose names, usual and customary hourly billing rates and time expended on the matter are as follows:

	Usual and Customary Hourly Rates	Time Reasonably Spent	Lodestar Hours x Rate
Jay Benanav	\$240.00	3.00	\$720.00
Jane L. Prince	\$180.00	30.50	\$5,490.00

Further, your affiant states that I was also aided in this work by my paralegal and consultant whose names, usual and customary hourly billing rates and time expended on the matter are as follows:

	Usual and Customary Hourly Rates	Time Reasonably Spent	Lodestar Hours x Rate
Kristie A. Quicksell and	\$75.00	8.00	\$600.00
Drew Henry (plan presentation and analysis)	\$60.00	234.00	\$14,040.00

Affiant has attached to this Bill and Memorandum of Costs as Appendix A hereto a statement of the dates and hours worked and the nature of the service performed in connection with the within case and a statement of costs and disbursements necessarily incurred in connection with the within case. The total out-of-pocket costs and disbursements necessarily incurred in this case was \$6,838.98.

The total fees and disbursements sought by this Motion are as follows:

Alan Weinblatt lodestar fees:	\$153,075.00
Jay Benanav's fees:	720.00
Jane Prince's fees:	5,490.00
Paralegal and consultant fees:	<u>14,640.00</u>
Total:	\$173,925.00
Disbursements:	<u>6,838.98</u>
Total Lodestar:	\$180,763.98

Subscribed and sworn to before me
this 13th day of April, 2012.
